**About Center Faith:**

Center Faith, a program led by volunteer coordinators of the D.C. Center for the LGBT Community, unites a broad spectrum of faith communities comprised of Lesbian, Gay, Bisexual, and Transgender (LGBT) individuals who practice their spirituality openly. We include local communities of faith who are supportive and inclusive of LGBT individuals. Become involved by adding your organization and volunteering at Center Faith. Partner organizations represent a variety of faith traditions, including Jewish, Christian, Muslim, Hindu, Sikh, Buddhist, Unitarian Universalist, Centers for Spiritual Living, Pagan, Wiccan, and Earth Religions. We celebrate the diversity of our communities as well as our common bonds. Now in our 38<sup>th</sup> year we invite you on our continuing journey.
